COURSE: KIN 221 School Health

CREDIT: THREE (3) SEMESTER HOURS

DEFINITION OF CREDIT HOUR. One credit hour is equivalent to fifteen hours of faculty instruction and a minimum of thirty hours of student reading and work on other assignments in addition to class time. Online classes involve equivalent amounts of time for instruction and coursework.

PRE-REQUISITES: NONE

COURSE DESCRIPTION: Exploration of human movement through guided movement experiences including instruction and practice of locomotor and non-locomotor skills, manipulative skills, basic rhythmical activities, and everyday living skills.

OBJECTIVES:
The student will demonstrate knowledge of:

1. academic knowledge and methods to plan and provide a developmentally appropriate curriculum for elementary and early childhood students in accordance with the Alabama courses of study for health education, including nutrition, safety and physical education, including movement.
2. approaches to knowledge construction and application in all disciplines.
3. techniques for using manipulative materials and play as instruments for enhancing development and learning;
4. benefits derived from being “totally” fit-physically, mentally, socially, and emotionally;
5. the process of learning related to movement and the teaching of movement skills;
6. the movement patterns of the body;
7. the basic fundamental and specialized motor skills;
8. and the ability to progressively teach efficient and effective basic motor skills;
9. the hierarchy in thinking toward the numerous significant divergence for integration of movement experiences with academic subjects;
10. incorporating fitness into different movement activities
11. how to connect, relate, and make sense out of the material taught in this class in light of God’s perspective found in his word.
TEXTBOOK: NOT REQUIRED: Blades, Jean Thinking on Your Feet Action Based Learning
www.actionbasedlearning.com

REQUIRED ACTIVITIES:
1. Class attendance and participation
2. Outside readings/research
3. Teaching/Presentations – informal and formal
4. Observations in a movement environment
5. Written observation reports

EVALUATION:
200 - 180 = A
179 - 160 = B
159 - 140 = C
139 - 120 = D
119 & BELOW= F

You must earn a “C” or higher in this class.
